MODIFICATIONS AND ADDITIONS TO NFHS PLAYING RULES

The items below will be used in place, or in addition to the NFHS rules

Include Events:

Alliance National Qualifying Events, Alliance Fastpitch Regional Championships (AFRC)
Alliance Fastpitch Championship Series (AFCS), Alliance Fastpitch Open Nationals (AFON)

1. DIGITAL COMMUNICATION

NFHS Rule 1-8-6: Permits electronic information to be transmitted to the dugout from anywhere outside of live ball area.

Rationale: The rule change reflects current technology and still requires that electronic devices used for coaching purposes may only be used in the dugout but does not stipulate where the video is recorded or how it is transmitted.

Alliance National Event Modification & Addition - using NCAA 5.9.8 - Electronic Equipment to be used on Defense or Offense

NCAA Rule 5.9.8 - Electronic Equipment - To Allow the use of an exclusively one-way electronic communication device from the dugout to the field for the purpose of relaying the pitch or play call.

Rationale: To improve the pace and flow of the game and maintain the integrity of a team's signs

Clarification: Digital Communication can be used for either, or both, Offense or Defense, but must be from the dugout, and not from an on field coach. But must be one way and be used within the time allotted between pitches

2. UNIFORMS

NFHS Rule 3-2-3: Beginning January 1, 2027, uniforms may only bear a single manufacturer's logo, school name, school logo, mascot and/or the participant's name. Advertisements, messages, team slogans, etc., will no longer be permitted.

Rationale: Consistent language has been established for NFHS sports that describe what information is permitted on the uniform. A player's name, school name, school nickname, school mascot and/or the school logo may be placed on the uniform.

Alliance National Event Modification

There will be no restrictions on a team's logos, name, sponsors, mascot, etc

Each player must be able to be differentiated from any other player on the team. This can be with the jersey number or last name.

No consequence for duplicate numbers as long as there is something that differentiates the players

3. DECISION TO DELAY OR CANCEL DUE TO WEATHER

NFHS Rule 4-2-7, 10-2-3e, h: The umpire may call (end) a game if playing conditions in or around the facility become unacceptable to safely continue the game.

Rationale: Provides rule justification when an umpire ends a contest due to unacceptable playing conditions to continue play in addition to weather.

Alliance National Event Modification

Each Complex or Event UIC will make the final determination on the decision to stop/delay and restart a game.

4. PITCHING

NFHS Rule 6-1-2c, 2-47: The pitcher may now have both feet off the ground at the same time as long as both feet remain within the 24-inch width of the pitching plate and the pitcher does not replant the pivot foot. A definition for a replant was added.

Rationale: The rule change permits both feet to disengage from the playing surface while delivering a pitch. The addition of Rule 2-47 defines that a replant of the pivot foot occurs when the pitcher pushes off the playing surface from anywhere other than the pitcher's plate prior to the act of delivering the pitch.

Alliance National Event Modification & Addition - using NCAA 10-5-4 & 10-5-5

NCAA 10-5-4: While pushing off from the pitcher's plate, both feet may disengage from the playing surface as long as they remain within the 24-inch width of the pitcher's plate and do not create a replant of the pivot resulting in the pitcher being farther away from the pitcher's plate. Pushing off with the pivot foot from a place other than the pitcher's plate resulting in the non-pivot foot becoming closer to home plate is illegal

NCAA 10.5.5: The pitcher is not allowed to hop or drag to a replant (crowhop), gain a second starting point and push off their pivot foot. Once having lost contact with the pitcher's plate, the pivot foot may trail on the ground but may not bear weight again until the pitch is released.

5. UNREPORTED SUBSTITUTIONS

NFHS Rule 6-1-2c, 2-4 - SUBSTITUTION RULES - UNREPORTED SUBSTITUTES

In contrast to an illegal substitute, an unreported substitute is a player that could legally occupy the position they are in the lineup but has simply failed to report that they are entering the game. All substitutions and courtesy runners are required to be reported to the plate umpire upon entering the game. When a player enters the game unreported, a warning is issued to the head coach. Any subsequent violation results in both the head coach and player being restricted to the dugout for the remainder of the game.
